

HM • CLAUSE

**Seed Central
Grand Prize
Internship Program**

Sponsored by HM.CLAUSE
10/8/2014

Internship Program Benefits

HM.CLAUSE offers students the opportunity to gain a rich personal and professional experience in the seed industry through:

- Meaningful and important job assignments
- Hands-on work experience in a variety of fields
- A rotating schedule for exposure to multiple business areas and geographical locations

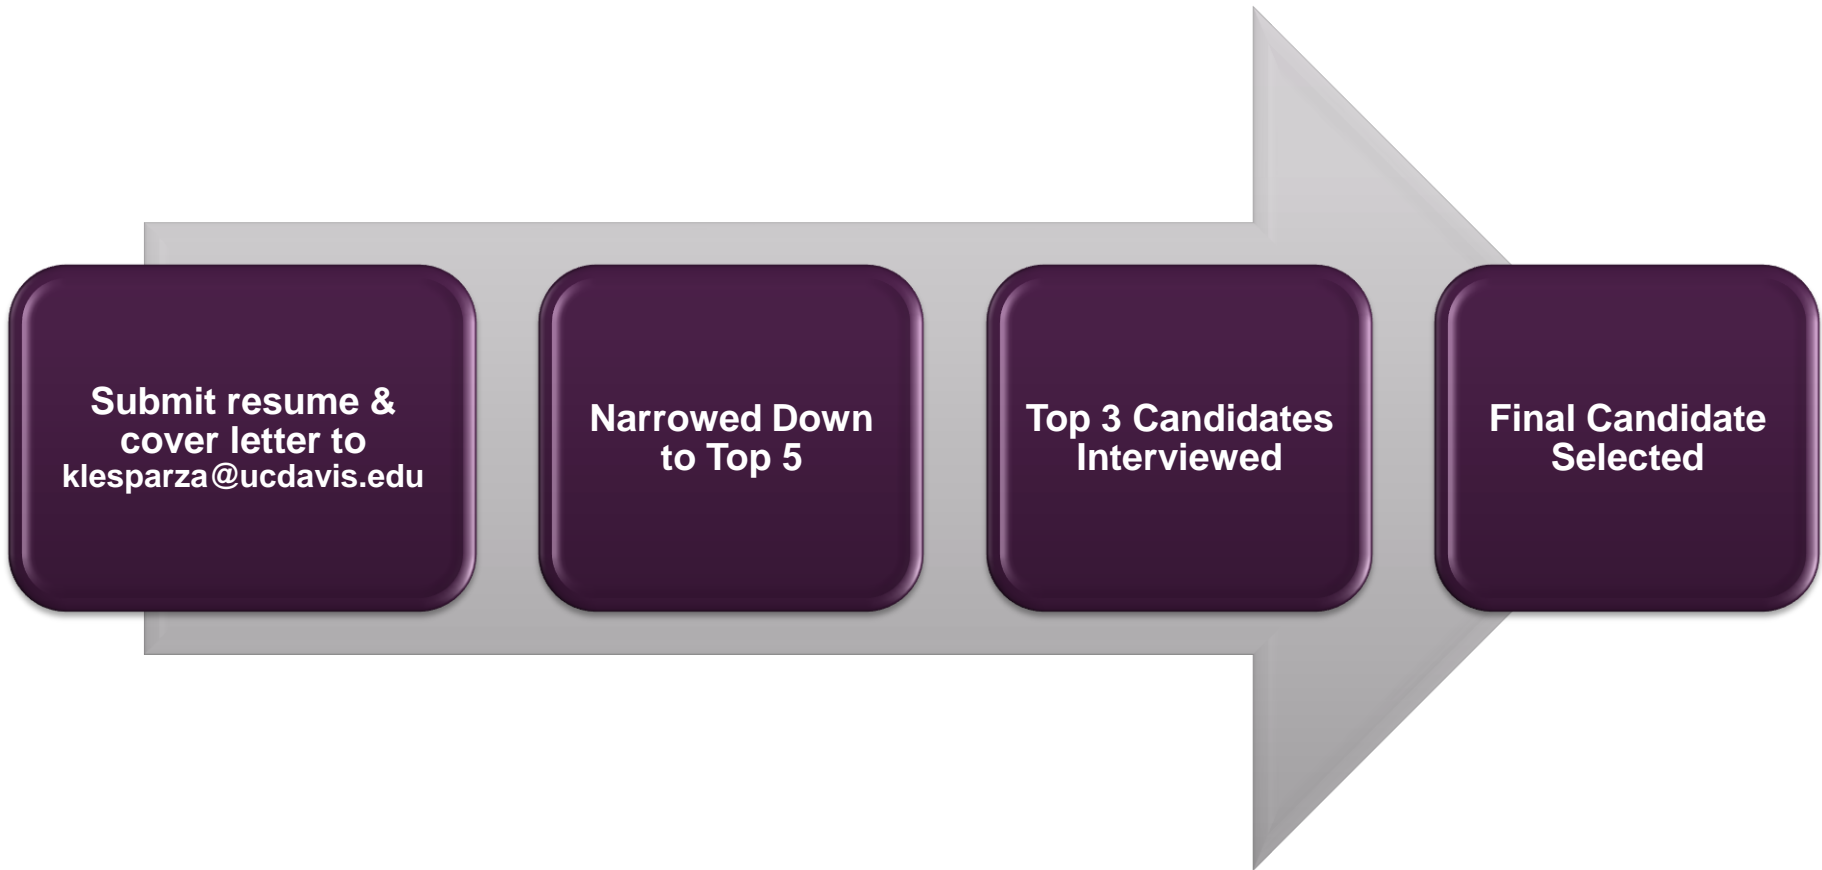

Students can use this experience to develop and expand their knowledge of the seed industry nationally and internationally.

Minimum Qualifications

- **Minimum junior undergraduate level or above in majors such as:**
Plant science, Biological sciences, Business, Economics, Agricultural development, Communications, Marketing, or related disciplines
- **Minimum GPA of 3.0 or better.**
- **Locations will rotate depending on qualifications, thus candidate must be flexible, adaptable and able to travel.**
- **Strong commitment to developing a career in the Seed business**
- **Experience working in international and multicultural environments**
- **Ability to meet all requirements for employment eligibility at HM.CLAUSE**
